

Camp Connect is a free, one-day camp for children ages 6-17 who have experienced the death of a loved one.

Staffed with bereavement specialists, Camp Connect provides opportunities for kids to explore and express their emotions in a supportive and fun environment. Campers take part in confidence-building exercises and artistic activities to better understand and learn how to cope with their grief—all while making connections with others who have experienced a loss. Camp Connect helps children find laughter in their tears, strength in their fears and a helping hand in their journey through grief.

Covenant Care is able to offer this free camp thanks to community partnerships and generous donations. Give to Camp Connect today!
