

Covenant Care's special programs were created from the heart.

My Wish was created to grant the final wishes to those in hospice care. From family BBQs to trips to Disney World to weddings, our generous donors help us make wishes come true.

Camp Connect, a day camp that helps kids deal with loss by giving them tools to help them cope with their feelings while making connections with other children in similar situations.

Bereavement and Spiritual Care services, as well as counseling, are offered for both children and adults.

Partners in Care - Together for Kids is a Florida-based program offering specialized support services for children diagnosed with life-limiting conditions.
